

Guest Coverage Gap Assessment

Identify where your property is losing bookings and guests to coverage gaps.

Complete this assessment to map your current guest communication coverage against what guests actually expect. Work through each section honestly. The gaps you identify are the starting point for deciding which coverage to add first.

Section 1 — Property Profile

Fill in your property details for reference.

Property name: _____	Property type: _____
Number of rooms / units: _____	Location / market: _____
OTA platforms listed on: _____	PMS in use: _____
Team size (front desk / operations): _____	Peak season months: _____

Section 2 — Current Coverage Hours

Mark what is actually staffed, not what you intend to have covered.

PERIOD	FULLY STAFFED	PARTIALLY COVERED	NO COVERAGE
Weekday daytime (8am–6pm)	☐	☐	☐
Weekday evening (6pm–11pm)	☐	☐	☐
Overnight (11pm–7am)	☐	☐	☐
Saturday daytime	☐	☐	☐
Saturday evening / night	☐	☐	☐
Sunday daytime	☐	☐	☐
Sunday evening / night	☐	☐	☐
Public holidays	☐	☐	☐
Peak season weekends	☐	☐	☐

Section 3 — Channel Coverage

For each channel, mark current coverage level and volume.

CHANNEL	ACTIVE	FULLY MANAGED	GAPS EXIST	EST. WEEKLY VOLUME
Inbound phone — main	☐	☐	☐	_____
Inbound phone — reservations	☐	☐	☐	_____
SMS / text	☐	☐	☐	_____
WhatsApp	☐	☐	☐	_____
Email (reservations)	☐	☐	☐	_____
Booking.com inbox	☐	☐	☐	_____
Expedia inbox	☐	☐	☐	_____
Airbnb messages	☐	☐	☐	_____
Vrbo messages	☐	☐	☐	_____
PMS guest messaging	☐	☐	☐	_____

Section 4 — Volume and Risk Indicators

Est. monthly inbound calls (total): _____ Est. monthly calls missed / unanswered: _____

Est. OTA messages per week: _____ Est. OTA messages not replied within 1 hour: _____

Est. SMS / WhatsApp messages per week: _____ Current Booking.com response rate (from dashboard): _____

- ☐ Phone rings to voicemail during evenings or weekends regularly.
- ☐ OTA messages sit unanswered for more than 2 hours at some point in the week.
- ☐ Front desk misses calls while handling in-person check-ins.
- ☐ Booking inquiries have been lost because no one answered in time.
- ☐ A guest has left a review mentioning slow response or unanswered communication.
- ☐ Staff describe phones as disruptive to in-person guest service.
- ☐ There is no written escalation process for overnight emergencies.
- ☐ Morning team regularly discovers messages or calls from overnight that were not handled.

Section 5 — Escalation Readiness

- ☐ A written escalation protocol exists for after-hours emergencies.

- ☐ Every team member knows who to call for an overnight emergency.
- ☐ On-call contacts are documented and current.
- ☐ Guests are never told to call back in the morning for an urgent matter.
- ☐ The escalation process has been tested in the last 6 months.

Section 6 — Gap Summary and Starting Point

Review your answers above and complete this summary.

Hours with no current coverage:

Channels currently unmanaged or behind on response:

Biggest single gap (your honest assessment):

Estimated monthly bookings at risk from coverage gaps:

RECOMMENDED SERVICE TO START WITH	
IF YOUR BIGGEST GAP IS...	START WITH
Missed calls during busy hours or peak check-in	Hotel Answering Service
Overnight and weekend phone gaps	After-Hours Support
Slow OTA inbox response (Booking.com, Expedia)	OTA Inbox Management
Unanswered SMS, WhatsApp, or email messages	Guest Messaging
Booking inquiries not converting	Reservation Support
Airbnb or Vrbo guest communication	Airbnb Guest Support
Night audit calls, OTA reconciliation, billing	Back Office Operations
Multiple gaps across channels and hours	Starter Plan — book a demo
